

Streamline onboarding and W-9 collection

Onboard contractors online individually or in bulk, leveraging a purpose-built platform supporting accurate W-9s without any back-and-forth with your team.

Faster payment processing and delivery to contractors with flexible instant payout methods

Fewer support tickets daily with real-time payment transparency

Drastically reduce time spent on 1099 form creation, issuance and delivery

STREAMLINE ONBOARDING AND TIN ELIGIBILITY

Onboard contractors online and enable accurate W-9s reducing back and forth with your teams.

1099 CREATION, FILING AND DELIVERY

Automate the entire 1099 process from creating forms to fixing errors to filing with the IRS.

AUTOMATE INVOICING AND PAYMENTS (AR TO AP)

Pay faster with transparency into invoicing and payment details. Access via ACH or the Wingspan Wallet.

DEDICATED CONTRACTOR SUPPORT

Attract contractors by providing help desk support from Wingspan and optional access to prevetted licensed brokers to help purchase insurance.*

**Insurance not provided by Insperty. Available through third-party providers for an additional fee.*
